GERMÁN COCCA

FULL STACK DEVELOPER

BRIEF

I'm a full stack developer (typescript, react, react native, node, express, mongoDb and postgreSql) fluent in english. I consider myself curious by nature. I like to learn new stuff constantly and understand how things work, and from that knowledge build tools that are useful for other people.

PERSONAL DATA

Tel: +54 9 11 2690 0730
Mail: coccagerman@gmail.com
